Exhibitor Appointed Contractors (EAC) Guidelines

Exhibitor Appointed Contractor (EAC) – A contractor hired by the exhibitor to provide assistance with your equipment, display or products during move-in and/or move-out and is not an employee of your company (with the exception of manufacturers' reps) or of an official contractor for the show.

Exhibitors and EAC must comply with the following guidelines:

1. An EAC shall have the right to provide services (except those services that are exclusive) and to utilize qualified employees on the exhibit floor at the request of an exhibitor. Exhibitors must submit a Notice of Intent to Use Exhibitor Appointed Contractor to Red Oak by Friday, April 9, 2021.
2. EAC must abide by existing labor regulations and/or contracts and rules and regulations established by the Hilton Chicago and AMUG. All services provided by an EAC must be completed in a timely, professional manner within the established times for move-in/out.
3. The EAC must have all licenses, permits or bondings required by federal, state, county or municipal governments and Hilton Chicago prior to commencing work. The EAC must be able to provide AMUG with evidence of compliance on request.
4. The exhibit floor, aisles, loading docks, service and storage areas will be under control of Red Oak Events, The EAC must coordinate all activities with them and must fully cooperate and not interfere with the efficient utilization of labor.
5. To gain admittance to the exhibit floor, the EAC must possess and be able to provide Red Oak with a true and valid order for services from an exhibitor.
6. The EAC should always perform all services in a professional manner and should not engage in solicitation of current or future business on the exhibit floor at any time. Exhibitors are responsible for the conduct of the contractors they appoint.
7. The EAC must confine operations within the exhibit area of the exhibitor. Aisles and vacant areas may not be used as work, storage or dispatch areas.
8. The EAC will share with the official service contractor all reasonable costs related to its operation, including overtime pay to union stewards, restoration of exhibit space to its initial condition, etc. It is the responsibility of the EAC to properly remove all installed tape from the floor and any bulk trash from exhibit hall (such as skids or crates). The official service contractor will bill the EAC accordingly for any labor necessarily provided to complete such tasks.
9. The Exhibitor is responsible for providing the EAC with any necessary information pertaining to the exhibit hall (i.e. utilities, order forms, dates, hours, shipping information, etc.).
